PROGRAMS BY COUNTY

ABOUT THIS INDEX

The following pages contain information on entrepreneurship education and training programs, organized by county. For each program, you will find brief contact information. To focus on programs serving your county, first refer to this county index to find out specific organization names, and then look up these organizations in the previous section containing an alphabetical Listing of Organizations.

If you want more detailed information on entrepreneurship education or training programs offered by statewide organizations, see the general program and curriculum information in the introduction to the directory.
