Goals for the Program

Northwest Prosperity Zone Participants
February 19, 2020
Program Goals

• Developing successful projects that result in economic growth in rural and economically distressed communities requires thoughtful and innovative approaches that engage multiple organizations.

• Organizations need more time to construct strategies to improve economic conditions, with emphasis on cross-sector and regional collaboration.
What Are Golden LEAF’s Goals for Work with the Rural Center?

• Development of projects that will create economic opportunities in the NW Prosperity Zone

• Increased capacity to apply for, execute and evaluate outcomes of grants (not just from Golden LEAF)

• Improved Golden LEAF applications, including regional and cross-sector collaborations

• Increased leadership capacity, diversity of participants in trainings and of applicants, and involvement of other funders
What Are We Asking You to Do?

• Form teams to work on projects

• Attend Rural Center trainings today and in June, and September

• Help us help you
